***FEATURED SPEAKER
Honourable Dave Hancock
Minister of Advanced Education***

I am pleased to host a town hall meeting with guest speaker Honourable Dave Hancock, Minister of Advanced Education. Recently the Government of Alberta announced that students at Alberta's post-secondary schools will see their 2005/06 tuition increases covered by the provincial government. Work will also begin on a new tuition policy to ensure that money isn't a barrier for Albertans seeking an education. 60,000 new spaces to the post-secondary education system by 2020, with 15,000 created in the next three years. I want to hear from you, the constituents of Calgary Bow, your ideas and views of what you would like our future in advanced education to look like.
